

Architect of the Capitol

The Architect of the Capitol is responsible for preparing and implementing a long-range master plan of development for the Illinois State Capitol Complex addressing the improvement, construction, historic preservation, restoration, maintenance, repair, and landscaping needs of the State Capitol Complex. These responsibilities will be fulfilled with the prescribed guidance and supervision of the Board of the Architect of the Capitol and the Capitol Historic Preservation Board.

The position requires an architect that is licensed under the Illinois Architecture Practice Act of 1989 and must have at least 5 years of experience in the field of architecture, historical preservation, or both. The Architect of the Capitol will be based in the Capitol Complex in Springfield, Illinois.

Applicants may send a letter of application and resumé to:

Board of the Office of The
Architect of the Capitol, 602
Stratton Building, Springfield,
Illinois 62706.
